Dear Sir:

Replying to your letter of recent date, I wish to say that our park will be available for you on the 25th. of this month. We will be very glad to have the two teams meet here for a game and I feel quite sure that you can make some money if you will have the game properly advertised.

We do not play night ball here as the park is not properly equipped with lights. For a day game, the park will cost you only \$10.00.

Trusting that the above may prove satisfactory and if you are coming to Laurinburg, will thank you for your communication regarding same,
I am,

Yours very truly,

E. M. McDuffie
